Directions From Birmingham

Take the A456 (Hagley Road) out of Birmingham heading for Kidderminster

Take the ring road around Kidderminster, following the A456 signed for Bewdley

Follow the by pass around Bewdley, following A456 signed for Leominster

A few miles out of Bewdley turn right onto the A4117, signed Far Forest. The turning is a few miles out of Bewdley on a left hand bend, just after a Callow garage on the right.

Follow A4117 for several miles through the countryside. You will eventually reach a roundabout at the A49 Ludlow by-pass.

Go straight over the roundabout (second exit, signed Ludlow) and follow the road until to reach a T junction.

At the T junction turn left. This will bring you onto Corve Street, the main road through Ludlow. Follow the road up the hill and over the crest, you are now on Old Street.

The offices are a couple of hundred meters down on the left hand side, look for an old Chapel with Chapel Works on the front.

Please park at the rear of the building. Walk back 'round to the front of the building, past the steps to the shop, and to the entrance on the left hand side of the building. Our main office is on the top floor.
